Approach To Chest Pain

CHEST, RIB, BREAST PAIN

CARDIAC

ISCHEMIC

ANGINA

MI

NON ISCHEMIC

PERICARDITIS

AORTIC DISSECTION

AORTIC ANEURYSM

Chest, Rib, Breast Pain

CARDIAC

Non-cardiac

CANCER

**PLEURO-
PULMONARY**

GIT

NMS

**BREAST
CANCER**

Chest, Rib, Breast Pain

Cardiac

Ischemic

Angina

**Activity Related, Last 2-5 Minutes,
Relieved By NTG**

CHEST, RIB, BREAST PAIN

CARDIAC

ISCHEMIC

MI

ISCHEMIC

ANGINA

**AT REST, LAST > 30 MINUTES, NOT
RELIEVED BY NTG**

CHEST, RIB, BREAST PAIN

CARDIAC

ISCHEMIC

ANGINA

MI

NON-ISCHEMIC

PERICARDITIS

**PAIN WORSEEN LYING DOWN AND
INSPIRATION
PAIN RELEIVED BY SITTING UP**

Chest, Rib, Breast Pain

Cardiac

Ischemic

Angina

MI

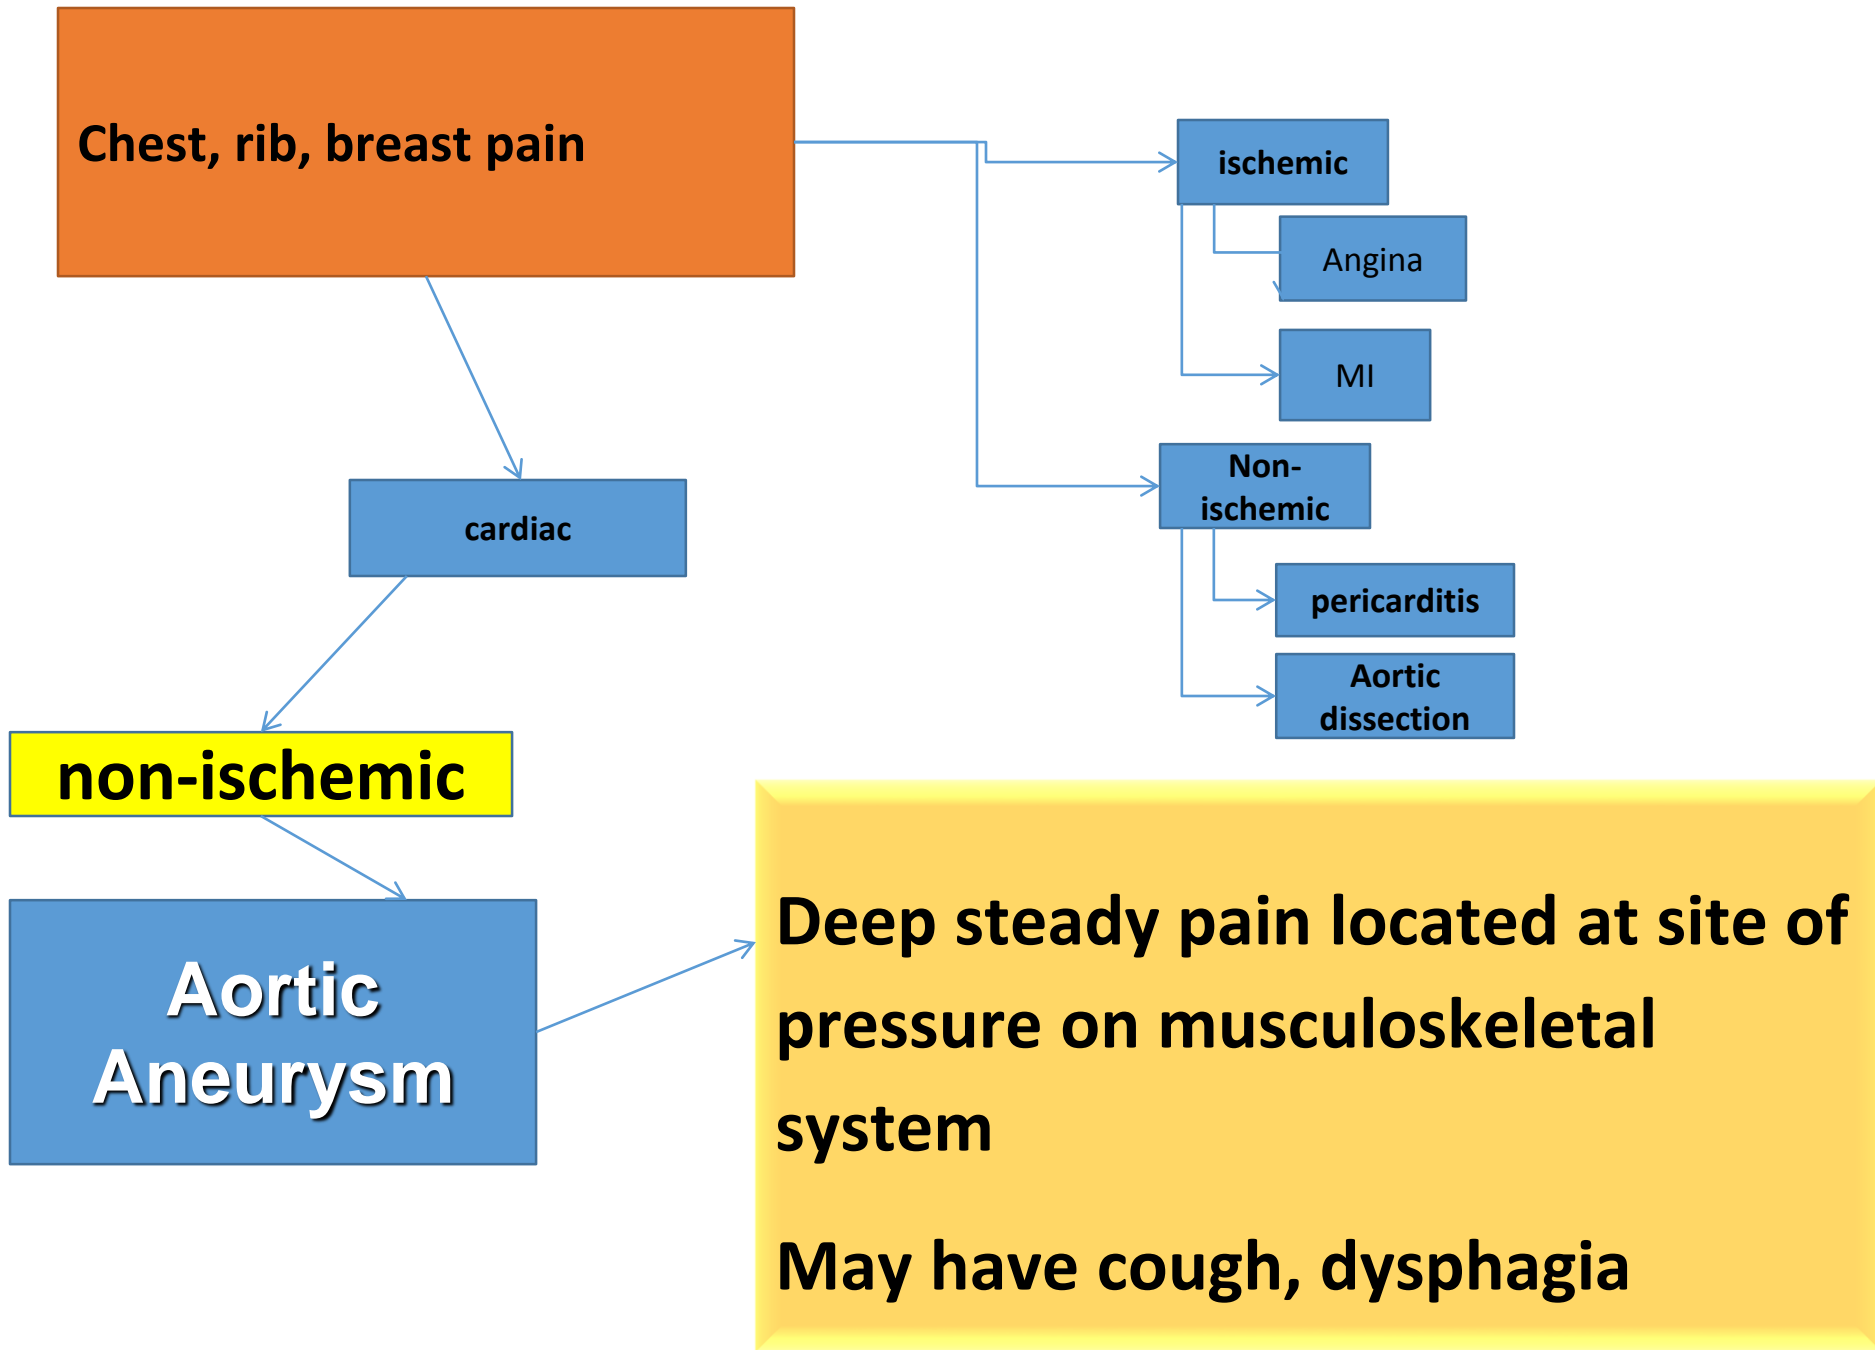

Non-ischemic

Pericarditis

Non-ischemic

Aortic Dissection

**Sudden And Severe At Inception
May Be Chest And/or Back Pain
Pulse Deficits Or Aortic Valve Insufficiency**

Chest, Rib, Breast Pain

Ischemic

Angina

MI

Non-ischemic

Pericarditis

Aortic Dissection

Aortic Aneurysm

Chest, Rib, Breast Pain

Non-cardiac

Cancer

**Pleuro-
pulmonary**

GIT
