- Eleven field offices of this Directorate General have been acquired the land.
- Divisional office Rawalpindi and DG Khan have submitted rough cost estimate including PC-1 for the construction of office building, which would be submitted in the forthcoming meeting of DDSC Hence this section looks into planning and effective execution of all the projects and new developments of the organization. This section is headed by Director Development.

8. INFORMATION TECHNOLOGY SECTION

Information technology (IT) has turned out to be an essential and integral part of every public and private sector organization. From multi-national corporations which maintain mainframe systems and databases to small individual units that may own a sole computer, IT plays a vital role. The major objective behind the omnipresent use of computer technology everywhere can best be determined by looking at how it is being used across the world. The Information Technology Section at Directorate General Public Relations (DGPR) was initiated in the month of September 2015 under the “Up-Gradation & Strengthening of Directorate General Public Relations, Punjab” scheme. It is headed by a Deputy Director (IT). As a vital wing of DGPR, it performs the following functions.

MAJOR FUNCTIONS

WEBSITE DEVELOPMENT

New website is created for the disbursement of important information from Punjab government to the general public. The information includes

- Chief Minister’s pictures of important events
- Chief Minister’s video speeches and video interviews on different occasions and on TV channels
- All English and Urdu Handouts issued by Public Relations Officers (PROs)
- Press Releases issued by Punjab government
- Punjab government TVCs and video documentaries
- Video clips regarding important events of Punjab government
- Policies of various departments of Punjab government
- Ordinances, Acts, Rules and Regulations of Punjab government

BLOG MANAGEMENT

- Creation of BLOG to disperse two-way communication with general public
- BLOG allows general public to give their feedback on Punjab government projects and schemes, and initiatives

CHIEF MINISTER’S DIGITAL ARCHIVE

- New digital archive has been created to store all video data related to the coverage of Chief Minister in electronic media. It includes
 - Official visits of Chief Minister to different cities and countries
 - Inauguration ceremonies attended by Chief Minister
 - Speeches and Interviews of Chief Minister on TV channels
 - Currently 1600 video records are stored in digital archive since inception of this scheme. Previously there was no digital archive present in digital form.
- Update digital archive on regular basis

ELECTRONIC MEDIA DIGITAL ARCHIVE

- 12x TV channels are monitored and recorded in DGPR for news coverage and future reference
- To store TV channel recording 48TB Network Attached Storage (NAS) and Database Server has been installed. Utilization and maintenance of the storage mechanism is main function performed to keep data safe.
- Magnetic tapes are used for secondary archiving of video data to make it available for 30 years span

LIVE COVERAGE OF EVENT

- For live coverage of important events of Punjab government from remote location, a Digital Mobile News Gathering (DMNG) system has been installed. DMNG Server is controlled from DGPR Server Room where as DMNG manpack has been sent to remote location to live stream the coverage.
- PTCL optical fiber high-speed network along with WiFi dongles are utilized to stream data between DMNG server and manpack

GENERAL IT SUPPORT

- Installation of operating systems, peripheral drivers, application programmes, and custom-made software in desktop and laptop computer of DGPR.
- Provision and maintenance of landline and wireless (WiFi) Internet connections within DGPR. Also includes maintenance of Ethernet switches, routers, LAN cables, and optical nodes.
- Organizing video conferencing between head office and district offices using Skype technology.

SOFTWARE DEVELOPMENT

Currently developed high-utility software for DGPR includes:

- Vehicle Management System (VMS) for Technical Section
- Letter Reminder System (LRS) for Administration Section
- E-PAPER software for News Section
- News & Opinion Management (NOM) software for News Section

RADIO ARCHIVE

- Devise technical plan for the monitoring, archiving and retrieving of 6x FM Radio channels
- Monitoring include the coverage of news of Punjab government on Radio at 36 districts

ELECTRONIC MEDIA COVERAGE

- IT Section provide technical support and advise to Electronic Media Section regarding storing, archiving, monitoring, and retrieving of 12x news TV channels.
- IT Section provide support regarding the creating and sending of video clips from TV channels to DGPR and Secretary I&C using email, Whatsapp, and DVD/CD.
- Round the clock monitoring and coverage of all news and political events on national and international electronic media is supported by IT staff.

9. BOOKS AND MONITORING

This section is responsible to maintain register for books/ periodicals and pamphlets. It maintains proper catalogue of all books being printed in the province. This is highly sensitive section from the view point of the functions and nature of duties. This section is supposed to administer Press Laws relating to books, pamphlets, leaflets posters and propose actions against the defaulters of Law, for publishing objectionable writings. As many as 13 reputed political, national and international magazines are thoroughly scrutinized in this section and a comprehensive report is prepared for the high-ups for informing them about the current situation of the country.

Functions

- The major functions of this section are the scrutiny of books, pamphlets, posters etc. The proscription actions against objectionable books are taken in consultation with the Home Department. It proposes action against the printer / publishers who violate the provisions of Press, Newspapers, News Agencies Books Registration Ordinance, 2002. Such cases are referred to Home Department, DCO's and Judicial Magistrates in the Punjab.
- The gratis copies of the books printed/published in Punjab, received in Book Section under Section 21 of the Press, Newspapers, News Agencies Books Registration Ordinance, 2002 are registered under Section 37 of the Ordinance called a catalogue of Books. The printers who failed to supply gratis copies, legal action is initiated against them.
- The rules framed under the Press Ordinance called Books Newspapers (Scrutiny) rules, 1966 are also administered by this Section. Under these rules every printer is under obligation to forward a monthly return of his press every month. Actions are taken against such printers who failed to do so.
- This Section is also supposed to administer an Ordinance called the West Pakistan Publication of Books (Regulation Control) Ordinance, 1969. Under this Ordinance no person without the permission of the Government can re-print/publish any book which is first printed or published in a foreign country. This Ordinance was promulgated to check the subversive, anti-Pakistan Islam material. Actions are taken against the printers / publishers who violate the law.

10. RESEARCH AND REFERENCE

11. TECHNICAL

This section ensures provision of Public Address System for official meetings of Government and Maintenance/ repair of official vehicles for smooth functioning of the DGPR

Functions

- Arranges Public Address System (Sound Services) for official meetings of VVIPs in the Province
