

# Research Process (Possible flow for Art & Design Project)

**Step 1** - Choose your topic.

**Step 2** - Find basic information (Literature review).

**Step 3** - Refine your topic/turn your idea into a research question.

**Step 4** - Design the study and develop your method

**Step 5** - Write your research proposal

**Step 6** - Take notes of financial issues/project execution issues

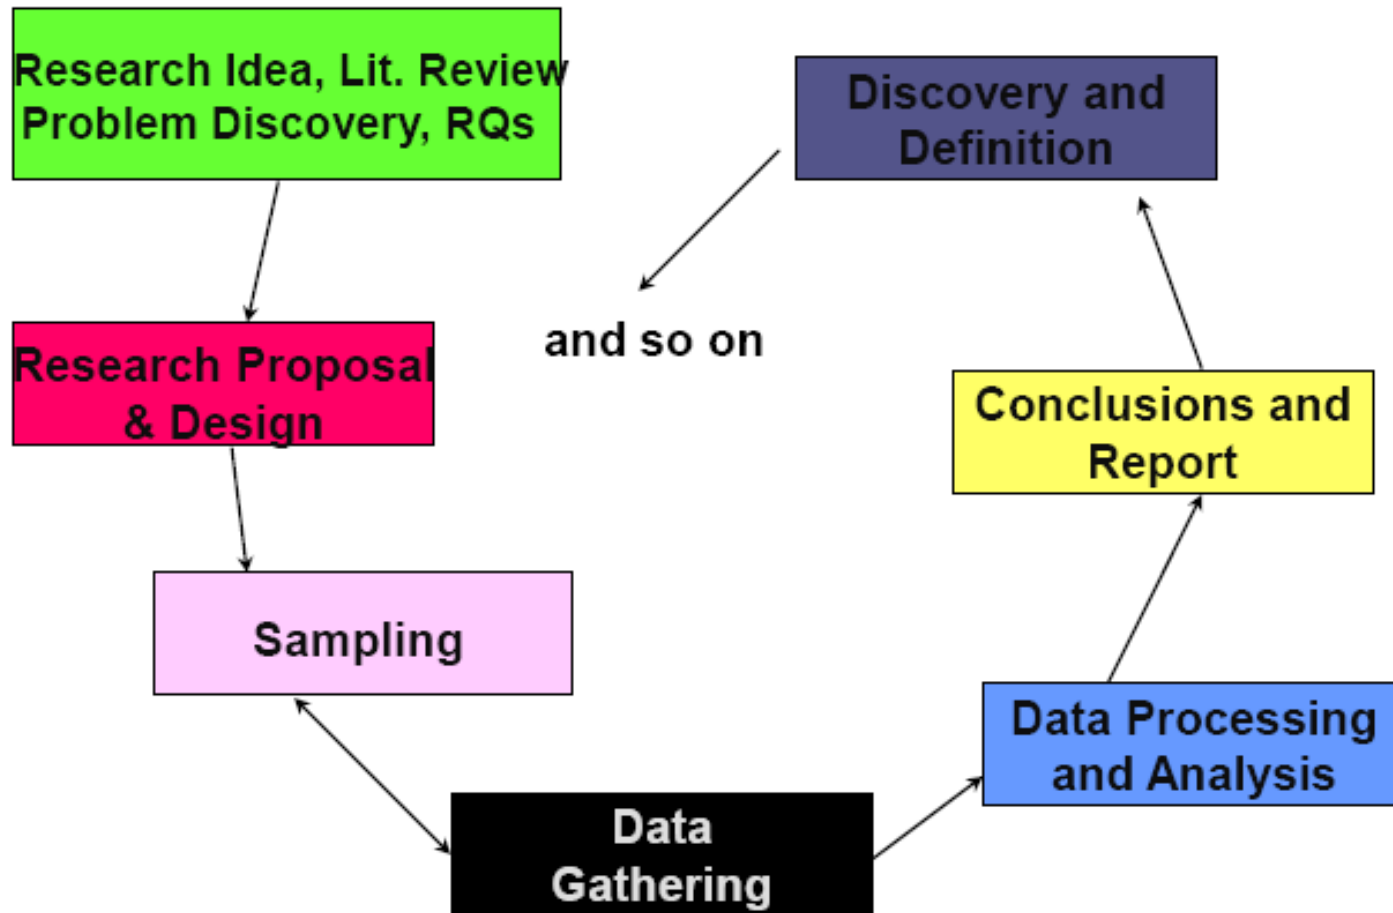

**Step 7** - Obtained ethical and trust approval

**Step 8** - Construct your project.

**Step 9** - Writing (Interpret your project)

**Step 10**- Report/present your project

# Research Process

# The Process of Research

- The process is initiated with a question or problem (**Step 1**)
- Next, goals and objectives are formulated to deal with the question or problem (**step 2**)
- Then the research design is developed to achieve the objectives (**step 3**)
- Results are generated by conducting the research (**step 4**)
- Interpretation and analysis of results follow (**step 5**)
