

UNIVERSITY OF SARGODHA

Noon Business School

COURSE OUTLINE: MBA 2nd Stock Market & Efficiency

Spring 2020

Course Title: **Stock Market & Efficiency**

Course Code:

Credit Hours:03

Instructor: Dr. Haroon Hussain

Email: haroon.hussain@uos.edu.pk

DESCRIPTION AND OBJECTIVES

The module has two main objectives. First, it aims to give students an awareness and understanding of the way financial markets function in terms of the different categories of participants, their role in the financial system and their interaction. The second purpose of the module is to develop students' ability to understand, critically evaluate and conduct empirical research on the role of accounting and financial information in capital markets.

INTENDED LEARNING OUTCOMES

After the completion of the course the student shall be able to understand the stock market terminology, method and techniques of trading and stock analysis along with the major concepts in stock market efficiency
