

“Illustrate your Interpretation of the Words”

Illustrate on A4 size paper or canvas either by hand (any medium even collage) or computer (Photoshop or Illustrator) the word that express and looks like what it says.

Either you can illustrate the word as an action or an object but it must have a conceptual story. The words are following:

Loud and Quiet

Rough or Tough

Sweet and Sour

Rock and Roll

Rush and Lush

Hard and Soft

On and Off

Odd and Even

Black and White

Up and Down

Day and Night

Safe and Sound

Lost and Found

Hide and Seek

Even you can use any Phrase or Idiom to illustrate

The exercise will enhance the creative approach of students to visualize text facially and conceptually.

Examples:

Quiet and Loud

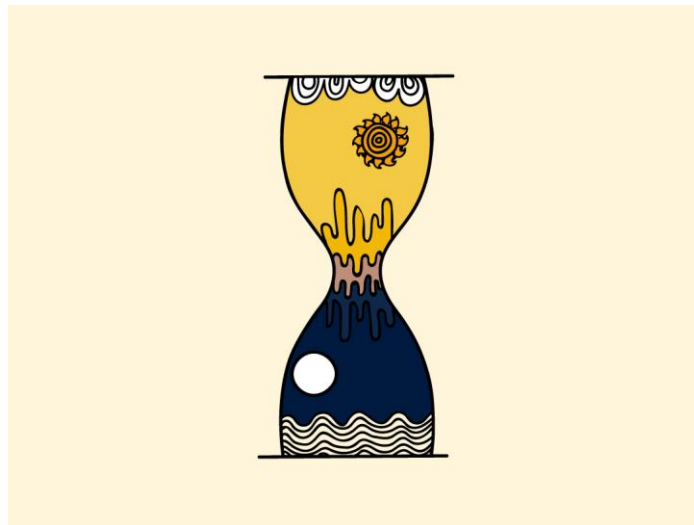

Rush and Lush

Rock and Roll

Lost and Found

Day and Night
