UNIVERSITY WORLD RANKING

- ❖ During 1947-2003 not a single university of Pakistan could be ranked among the top 600 universities of the world.....!!!
- ❖ But today 5 to 6 Pakistani universities belong to the prestigious group of worlds best universities!!!!

Gender Parity

- Gender Parity Index (GPI) is 0.86. Survival Rate to grade 5 is around 66%.
- Pupil teacher Ratio 32 and Pupil Class Room Ratio 44.
- Overall percentage (Public + Private) of female teachers in primary education is 51%.

Conclusion

- Alhamdulillah We are Muslim and we know about first revolution on P.B.U.H..Very first word of revolution is IQRA mean “read”..so in this context we should lead the world in education system but unfortunately it is not happening..
- but I will say here that without wastage of more time we & our govt. should take steps in order to place our country in developed countries..

Conclusion (Cont...)

So govt:

- Should establish more schools.
- Education should be free.
- More concentration on Adult education.
- Education should be equal for all the society members so that they create the environment of faith and discipline.
- Different seminars should be arrange to provide information.
