AND DEVELOPMENT

DATED AUGUST 13, 1959

Guarantee Agreement

AGREEMENT, dated August 13, 1959, between **REPUBLIC OF PAKISTAN**, acting by its President (hereinafter called the Guarantor) and **INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT** (hereinafter called the Bank).

WHEREAS by an agreement of even date herewith between the Bank and The Karachi Electric Supply Corporation Limited (hereinafter called the Borrower), which agreement and the schedules therein referred to are hereinafter called the Loan Agreement, the Bank has agreed to make to the Borrower a loan in various currencies equivalent to two million four hundred thousand dollars (\$2,400,000), on the terms and conditions set forth in the Loan Agreement, but only on condition that the Guarantor agree to guarantee the payment of the principal, interest and other charges on such loan; and

WHEREAS the Guarantor, in consideration of the Bank's entering into the Loan Agreement with the Borrower, has agreed so to guarantee such obligations of the Borrower;

NOW THEREFORE the parties hereto hereby agree as follows:

ARTICLE I

SECTION 1.01. The parties to this Guarantee Agreement accept all the provisions of Loan Regulations No. 4 of the Bank dated June 15, 1956, subject, however, to the modifications thereof set forth in Schedule 3 to the Loan Agreement (said Loan Regulations No. 4 as so modified being hereinafter called the Loan Regulations), with the same force and effect as if they were fully set forth herein. The terms defined in said Loan Agreement shall have the same meaning as if such definitions were fully set forth herein.

ARTICLE II

SECTION 2.01. Without limitation or restriction upon any of the other covenants on its part in this Agreement contained, the Guarantor hereby unconditionally guarantees, as primary obligor and not as surety merely, the due and punctual payment of the principal of, and the interest and other charges on, the Loan, the principal of, and interest on the Bonds, and the premium, if any, on the prepayment of the Loan or the redemption of the Bonds all as set forth in the Loan Agreement, the Trust Deed and the Bonds.

ARTICLE III

SECTION 3.01. It is the mutual intention of the Guarantor and the Bank that no other external debt shall enjoy any priority over the Loan by way of a lien on governmental assets. To that end, the Guarantor undertakes that, except as the Bank shall otherwise agree, if any lien shall be created on any assets of the Guarantor as security for any external debt, such lien will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loan and the Bonds, and that in the creation of any such lien express provision will be made to that effect; provided, however, that the foregoing provisions of this Section shall not apply to: (i) any lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of such property; or (ii) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

The term "assets of the Guarantor" as used in this Section includes assets of the Guarantor or of any of its political subdivisions or of any agency of the Guarantor or of any such political subdivision, including the State Bank of Pakistan.

SECTION 3.02. (a) The Guarantor and the Bank shall cooperate fully to assure that the purposes of the Loan will

be accomplished. To that end, each of them shall furnish to the other all such information as it shall reasonably request with regard to the general status of the Loan. On the part of the Guarantor, such information shall include information with respect to financial and economic conditions in the territories of the Guarantor and the international balance of payments position of the Guarantor.

(b) The Guarantor and the Bank shall from time to time exchange views through their representatives with regard to matters relating to the purposes of the Loan and the maintenance of the service thereof. The Guarantor shall promptly inform the Bank of any condition which interferes with, or threatens to interfere with, the accomplishment of the purposes of the Loan or the maintenance of the service thereof.

(c) The Guarantor shall afford all reasonable opportunity for accredited representatives of the Bank to visit any part of the territories of the Guarantor for purposes related to the Loan.

SECTION 3.03. The principal of, and interest and other charges on, the Loan and the Bonds shall be paid without deduction for, and free from, any taxes (including duties, fees and impositions) imposed under the laws of the Guarantor or laws in effect in its territories; provided, however, that the provisions of this Section shall not apply to taxation of, or duties, fees or impositions levied upon, payments under any Bond to a holder thereof other than the Bank when such Bond is beneficially owned by an individual or corporate resident of the Guarantor.

SECTION 3.04. This Agreement, the Loan Agreement, the Trust Deed, the Supplemental Indenture and the Bonds shall be free from any taxes (including duties, fees and impositions) that shall be imposed under the laws of the Guarantor or laws in effect in its territories on or in connection with the execution, issue, delivery or registration thereof.

SECTION 3.05. The principal of, and interest and other charges on, the Loan and the Bonds shall be paid free from all restrictions imposed under the laws of the Guarantor or laws in effect in its territories.

SECTION 3.06. The Guarantor shall not take any action (including any action in respect of the rates to be charged by the Borrower for the sale of electricity) which would prevent or materially interfere with the successful operation of the Project, or with the carrying on by the Borrower of its operations and enterprise in an efficient and business-like manner and in accordance with sound engineering, financial and electric utility practices, or with the performance by the Borrower of any of the covenants, agreements and obligations of the Borrower in the Loan Agreement or the Trust Deed.

ARTICLE IV

SECTION 4.01. The Guarantor shall endorse, in accordance with the provisions of the Loan Agreement and the Loan Regulations, its guarantee on the Bonds to be executed and delivered by the Borrower. The Secretary to the Government of Pakistan, Ministry of Finance, is designated as the authorized representative of the Guarantor for the purposes of Section 6.12 (b) of the Loan Regulations.
