

Line Practice Straight and Diagonal

BY AWAIS NAQVI

Line Practice

- ▶ With any skill, we have to practice and build up our abilities. Drawing is no different. Practice plays an important role in developing ourselves as artists and should be a regular part of our activities – no matter what our current skill level.
- ▶ If you practice them regularly, your drawing skill will improve greatly.

Line

- ▶ Line is one of the seven elements of art. It is considered by most to be the most basic element of art.
- ▶ In terms of art, line is considered to be a moving dot. It has an endless number of uses in the creation of art.
- ▶ Lines can be used to define shapes and figures, but also to indicate motion, emotion, and other elements.
