

COURSE OUTLINE

FALL 2020

Course Title: **VISUAL DESIGN AND MARKETING**

Course Code: **VDM-129**

Credit Hours: **03**

Instructor: **Ms. Mariam Ikram**

Email: Mariam.ikram@uos.edu.pk

DESCRIPTION

The course provides the opportunity for students to gain proficiency in industry current technology, and specialties such as digital photography, digital media production, and strategic marketing that can be valuable in marketplace. This hybrid course with the blend of multimedia, graphic design and business can add up the value of a bachelor degree not just to help students advance in their career but also to help them increase their knowledge and the scope of their skills. Using the above skills graduates can set up their own business that is related to communication design field.

By controlling color, type, movement, symbols, and images, the visual communication designer creates and manages the production of visuals designed to inform, educate, persuade, and even entertain a specific audience.

Objectives:

To provide overview of advertising and graphic design, development of ideas in advertising, computer graphic design skills necessary in marketing communication, multimedia, printmaking, editorial design, photography, typography, and information graphics.

- Understand the development process of advertising and its impact on marketing and financial aspects.
- Gain in-depth understanding into the design using computer software to explore imaginative solution to design problem.

- Plan advertising layout, develop advertising messages, and execute advertising art effectively.
